

# Who's in our community?

The first step to helping *all* children belong is getting to know who's in our community

## In a group of 40 children...

1 child will have a disability

3 children will be vulnerable in 2 or more developmental areas

9 children will be vulnerable in 1 or more developmental areas

40% of residents were born overseas

205 different languages are spoken at home

38% live in a disadvantaged area

**Our community in North Western Melbourne encompasses the Traditional Lands of the Wathaurong and Woiworung Peoples for 80,000+ years**
