## Responding to children’s challenging behaviour

### Reflective Questions

---

In this video, experienced educators share the strategies they use for guiding children’s behaviour in positive ways.

After watching the video, try these reflective questions, either individually or at your next staff meeting or PD session:

<b>What challenges you about challenging behaviour?</b>

<b>What is your understanding of the iceberg model?</b>

<b>In the video, what did you see educators using to support children’s positive behaviour? E.g., props, visual cues, sensory resources</b>

**Reflective Questions**

<b>What did you think about the idea of putting a behaviour management plan onto the environment rather than an individual child?</b>

<b>When thinking about challenging behaviour, do you consider the whole environment? E.g., routines, ratios, family engagement</b>
